LOUIE ANDREW R. CEBIDO
Software Developer

📍 B8 Esplora Townhomes 1, San Jose, Antipolo City Rizal

📱 (+63) 917 599 4967

✉ Lcebido@gmail.com

I'm a programmer for 11yrs including 5yrs in frontend development. I'm a fast learner and flexible in my profession. I enjoy turning complex code into simple, cleaner, reusable and more readable.
I'm a straightforward and introverted person, which makes me look intimidating, but on the other hand I'm a team player who enjoys collaborating and learning with others.
